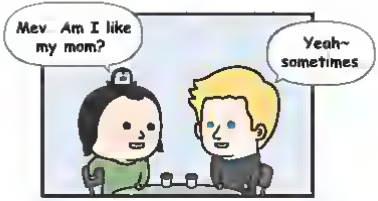
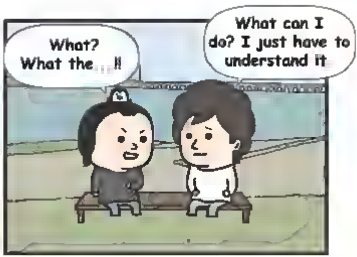
Like Mother Like Daughter

This time, I'll talk about
my mom and me.

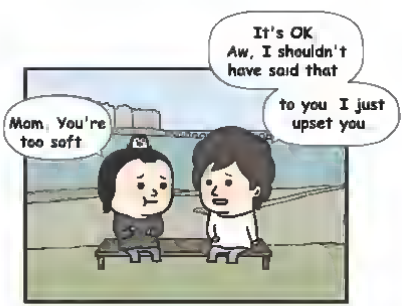


My mother.

I confidently can say this
My mom is the most angel-like person



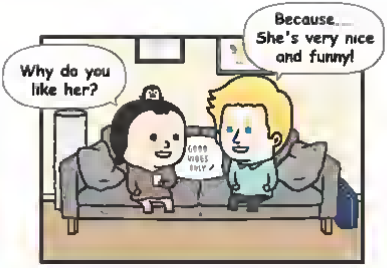
I hardly ever seen that she says anything bad about someone. She's very gentle.



But for that reason, she looks like tofu to me that is so white but too weak. And that sometimes hurts me.

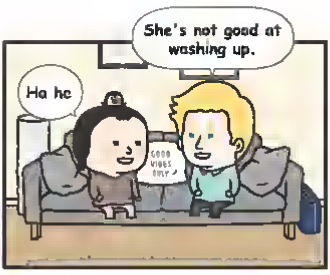
My mom...

To Mev, my mom is
a very good mother in law



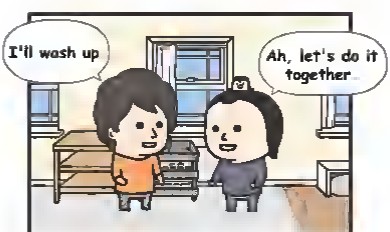
Why do you like her?
Because... She's very nice and funny!
GOOD VIBES ONLY

But!

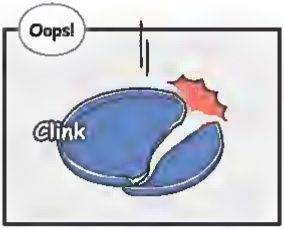


Ha ha
She's not good at washing up.
GOOD VIBES ONLY

Two years ago, Mom visited us.



While she was staying with us,
she helped with lots of house wark.



Oops!

Oh no..
I'm sorry!
It's fine.
It's only a dish.

Like that, she broke a dish every time when she washed the dishes.
Yeap.

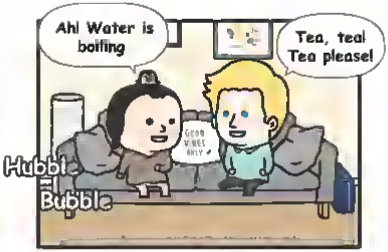
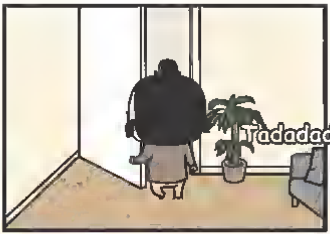
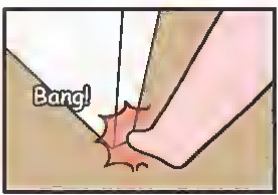
My mom's clumsiness





Tadadada



Bang!

I've got that 100%.
